

One brief. A complete perspective.

Works360 connects events, sourcing and practical business support around your objectives, budget and requirements.

01 Events & experiences

Corporate gatherings, team day-outs, venue and hospitality coordination, activities, transport and event logistics.

02 Sourcing & procurement support

Corporate gifts, branded merchandise, event supplies, supplier enquiries and specification-led coordination.

03 Business solutions

Requirement planning, vendor coordination and defined project support, with agreed actions and responsibilities.

We see the whole. We work the details.

- 01 **Discover**
Understand the objective, audience, budget and practical requirements.
- 02 **Design**
Translate the brief into a considered scope, options and clear next steps.
- 03 **Deliver**
Coordinate suppliers, timelines and logistics around the agreed plan.
- 04 **Refine**
Review the outcome, capture feedback and carry the learning forward.
